

PROJECT for JAIME C SMITH

USER STORIES

As a user, I want to gain awareness about my mental illness so that I manage the symptoms in a healthy manner.

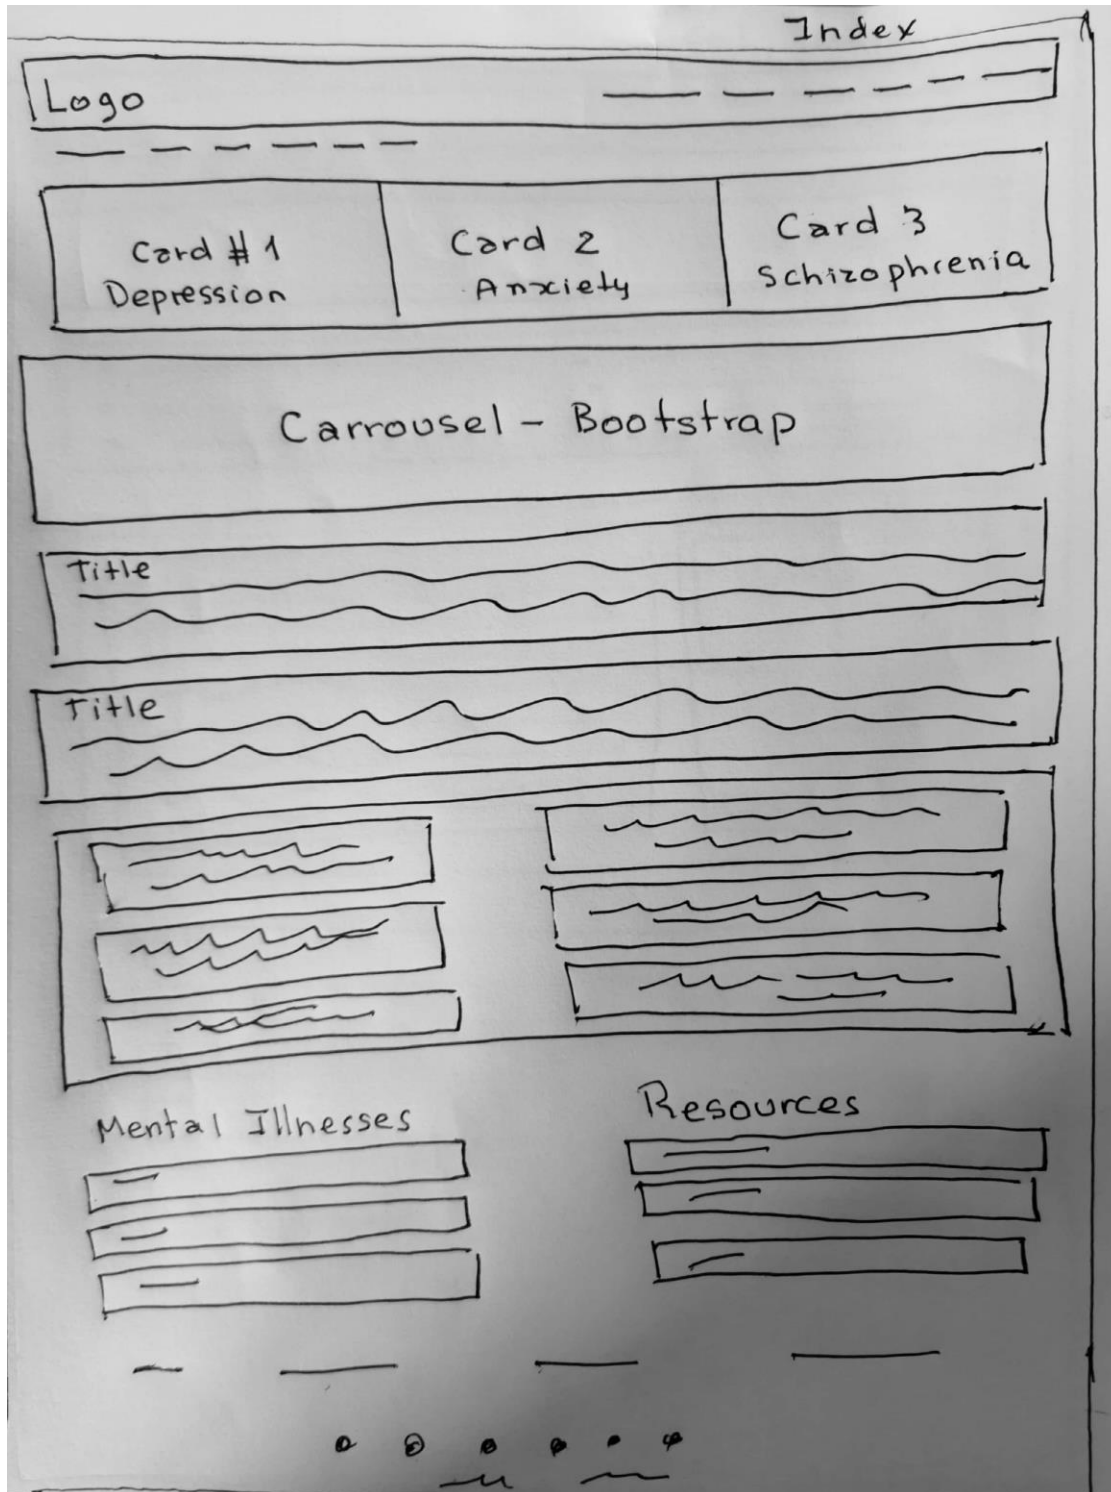

As a user, I want to learn about mental illnesses so that I can manage the symptoms of depression.

As a user, I want to explore the website so that I can gain understanding about mental illnesses and have access to talk to a therapist.

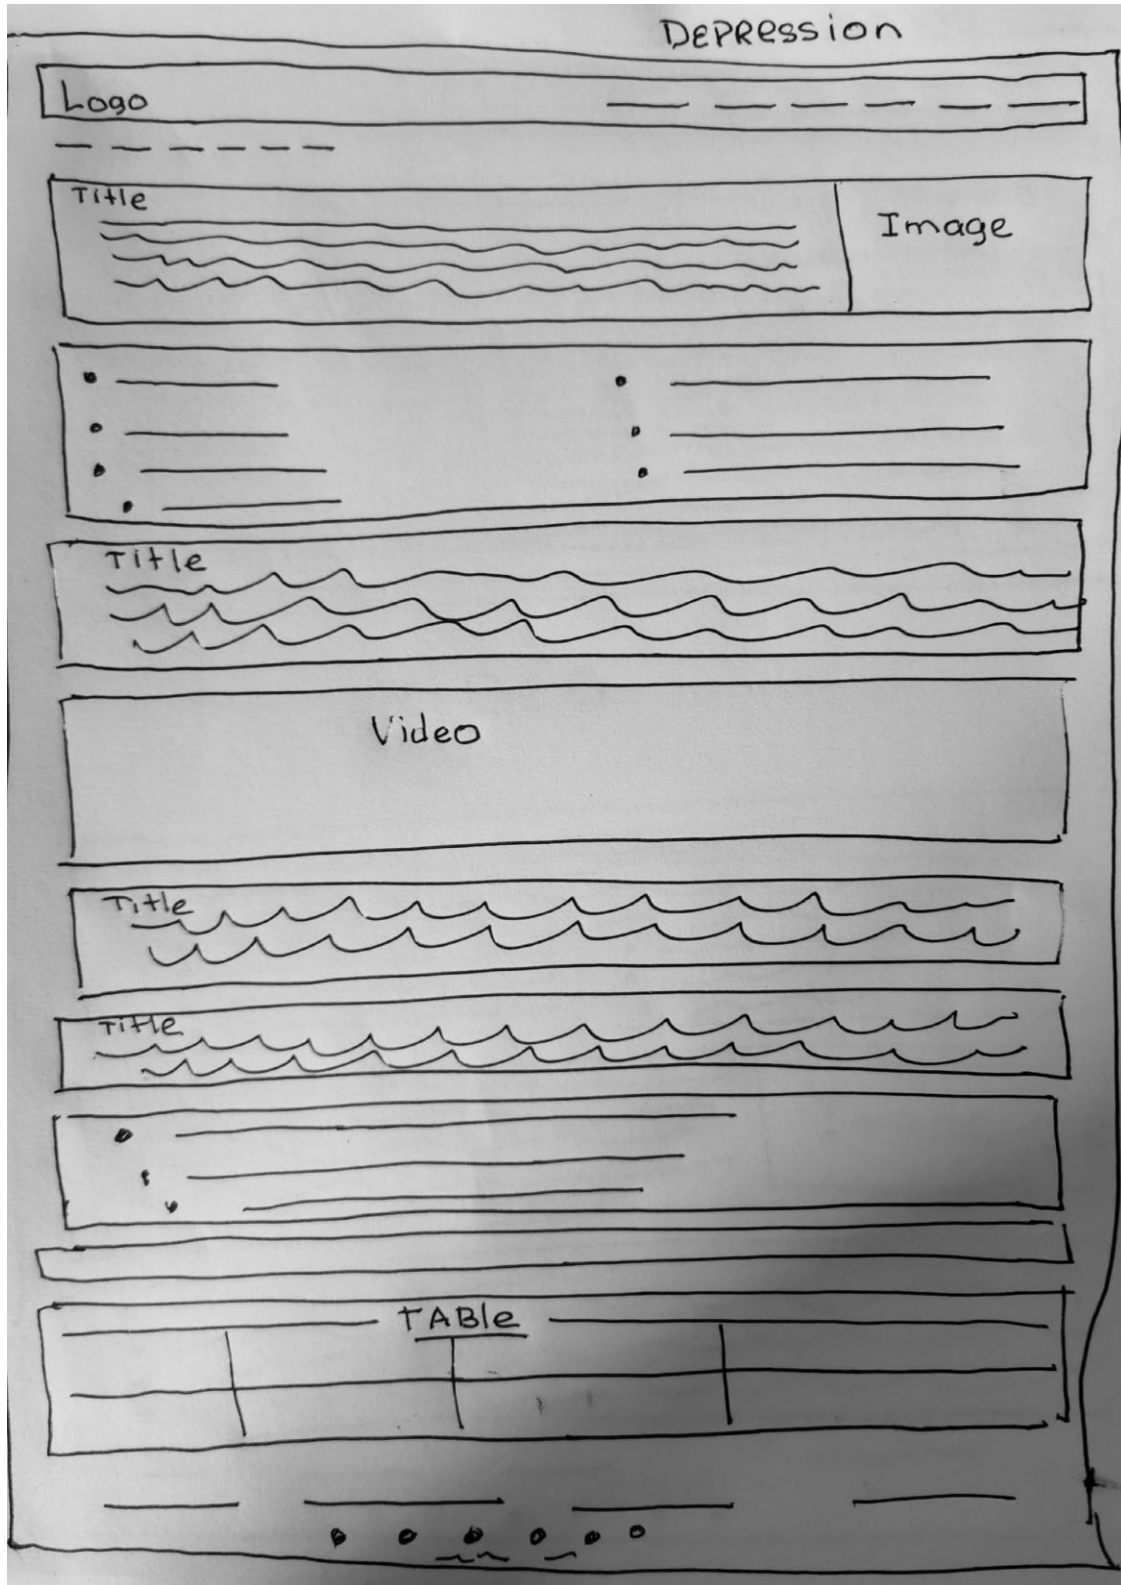

As a therapist, I want to create a website so that I have the opportunity to assist individuals with mental illnesses.

Contact

A hand-drawn wireframe of a contact page layout. The layout is organized into several horizontal sections. At the top is a header bar containing a 'Logo' placeholder and a dashed line. Below the header is a section with a 'Title (ABOUT US)' placeholder and wavy lines representing text. The next section contains two circular 'Picture' placeholders, each followed by wavy lines representing text. Below this is a section with a 'Title' placeholder and two columns of three horizontal lines each, representing text or form fields. The following section is a large rectangular area labeled 'MAP Google'. The final section is a 'WEBform' containing four horizontal lines for input, a small circle, and a 'submit' button. A dashed line is at the bottom of the page.
